\* Please note: Our sizes run smaller compared to US sizing. i.e. the S/M may feel like XS/S whereas the M/L may feel like Medium. The provided measurements may overlap between sizes and are meant to show a range of each dimension to help you guide and find the best all around fit.

**How to Measure:**

**Bust:** Measure under your arms around the fullest part of your bust. Be sure to go over your shoulder blades.

**Waist:** Measure around the narrowest part of your waistline (~2" above your belly button) with one forefinger between your body and the measuring tape.

**Hip:** Stand with your heels together, keeping tape straight and parallel to the floor. Measure around the fullest part of your hips and rear.
